Summary

Certificate in Fullstack Web Development from the University Of Utah. Background in Communication and Training, highly collaborative with skills in conflict resolution, and known for taking the time to adequately and thoroughly explain processes at hand to each member of the team.

Technical Skills

Proficient in HTML5, CSS3, Javascript, JQuery, Node, MYSQL, MongoDB, Express, Sequelize, git, and React. Interpersonal relationships and conflict resolution.

Projects

Sugar Pin | <https://github.com/andrew-stehno/glucose-tracker.git> | <https://glucose-tracker-2020.herokuapp.com/>

- Users are able to track their daily blood glucose levels on a convenient graph. Entries that exist outside of a predetermined range prompt a dietary recommendation.
- Core Responsibilities include setup of Express server, nosql database with Mongoose, construct all API routes, authentication with Auth0 and site deployment to Heroku.
- React, Javascript, Reactstrap, Node, MongoDB

Skinder | <https://github.com/andrew-stehno/skinder.git> | <https://projtwo.herokuapp.com/>

- Application allowing a user to pair up with other winter enthusiasts, communicate via an online forum, and search the web for backcountry skiing and board lines.
- Core responsibilities include backend development and forum functionality.
- Javascript, JQuery, Bootstrap, Node, MYSQL

Experience

Protek Fire & Systems

November 2017 - September 2019

Technician/Training

West Jordan, UT

- Training peers to develop technical and customer service skills.
- Built and sustained successful relationships with high-value customer accounts, collaborating frequently with their teams to identify issues and quickly resolve them.

American Fire Equipment

February 2015 - September 2017

Technician

Price, UT

- Established the Fire Alarm and Sprinkler departments from the ground up, by engaging with customer base, identifying their respective needs, and organizing start to finish service plans.

Education

- University of Utah, 2020, Certificate in Fullstack WebDevelopment
